P&E-related Currency

Kingdom Hunter users can earn Runestone, which is an in-game currency that can be exchanged for Lord Coins.

- Obtain Runestone

Kingdom Hunter players can acquire Runestones while playing the game through gathering, daily mission rewards, selected achievement rewards, dungeon box rewards, alliance ranking rewards (weekly), and various event rewards.

- Runestone Usage

In Kingdom Hunter, Runestones can be used in various ways to satisfy being a powerful Lord, such as upgrading Heroes, healing wounds, preventing prisoners from escaping, and developing and upgrading special buildings in your Kingdom.

- Runestone → Lord Coin

Runestone can be traded for Lord Coins through an in-game exchange that opens when certain missions are completed.

When exchanging Runestone for Lord Coin, a separate fee is incurred, and the daily exchange limit per user at the in-game exchange is 10 Lord Coin.

The default exchange rate is 10,000 Runestone: 1 Lord Coin (excluding commission), and the exchange rate may change according to the in-game economy status.

- Lord Coin → Runestone

There is no exchange fee or daily exchange limit incurred on Lord Coin → Runestones trade.
